Dear Naghul Adhithya,

Congratulations! You have been admitted to Arizona State University for the fall 2026 semester.

This letter is more than an offer of admission to ASU — it is confirmation that you possess the skills and abilities to succeed in the ASU community. You worked toward this moment your entire academic career, and we congratulate you on achieving this important milestone.

You have been admitted to your first-choice academic major, Computer Science in the Ira A. Fulton Schools of Engineering. I invite you to explore more about your major, including the core courses, faculty accomplishments and career outlook, by visiting **asu.edu/degrees**.

ASU is globally recognized as a New American University. Through innovative learning options, excellent academics, an entrepreneurial focus, countless involvement opportunities and comprehensive student support services, you can customize a college experience that will take you anywhere you want to go in life.

ASU reserves the right to independently test any student's English proficiency upon arrival, including those who have earned scores satisfying minimum admission criteria, and may require support classes if the demonstrated level of English proficiency is not sufficient for academic success.

Congratulations again on your admission. We look forward to you joining the ASU community.

Sincerely,

April Crabtree
