

July 03, 2025

Congratulations, Naghul Adhithya Venkateswaran!

We are excited to inform you of your offer of admission to Iowa State University for undergraduate study in Computer Science, starting with the 2026 Fall Semester. You should be proud of your accomplishments. Great opportunities await should you choose to become an Iowa State Cyclone! This offer is based on the information you self-reported on your application for admission and will be verified upon submission of your final transcripts.

Accept Your Offer of Admission

Your next step is to accept this invitation to an exciting adventure. You can do this by logging into your "MyAccount" at iastate.edu/myaccount. Contact us with any questions about accepting your offer of admission or about making sure that Iowa State University is the right fit for you.

Once you accept your offer of admission, you will be able to access to the on-campus housing portal and other next steps in the orientation process. Attached you will find additional helpful information. Please review it thoroughly.

Once again, congratulations on your admission. We look forward to welcoming you to Iowa State!

Sincerely,

Katharine Johnson Suski
Director of Admissions
