Dear Naghul Adhithya,

Congratulations! On behalf of the Admissions Committee, the School of Computing and Information and the University of Pittsburgh, I am pleased to offer you acceptance for the Fall 2026 Term, beginning Monday, August 24, 2026 with an intended field of study of Computer Science.

Your application demonstrated hard work, determination and a forward-thinking attitude. These are just a few of the characteristics that make you an excellent fit for the University. This acceptance symbolizes the bridge between all you have accomplished and all you will set out to achieve.

At Pitt, you will join a diverse community of students who are encouraged to explore their passions through Pitt's personalized, cutting-edge research, outside-of-the-classroom opportunities, community involvement, and much more. We are confident in your potential for a successful future here. With the support of Pitt's inclusive community of alumni, faculty, staff, and classmates, your future is yours to build. Imagine what you will accomplish when you converge everything you stand for with everything we offer. If you can dream it, Pitt will help you do it.

While you take time to celebrate, I invite you and your family to plan a visit for our upcoming Admitted Student events, where you will experience campus for the first time as an accepted student, a feeling like none other. Keep an eye on your e-mail for your invitation to the upcoming programs.

To maintain your place in the incoming class, you must continue the quality performance you have demonstrated thus far. Considering your accomplishments to date, we are confident you will be successful. Your next step in the enrollment process is to [**Commit to Pitt**](#) by accepting your offer of admission. Enrollment guidelines can be found on the [**Pitt Bound webpage**](#). If you have any questions, please do not hesitate to contact us.

Once again, congratulations on your acceptance to the University of Pittsburgh!

Hail to Pitt,

Kellie Kane
Executive Director of Admissions

ENROLLMENT PROCESS

- **Commit to Pitt!** The first step to becoming a Panther is to Commit to Pitt. Accept your admission, confirm your residency, and pay your \$300 enrollment fee by May 1. The enrollment fee is non-refundable and non-transferable
- **Set up your Pitt e-mail.** Within five business days of submitting your enrollment fee, you will receive an e-mail from the Technology Help Desk guiding you to set up your Pitt e-mail account. If you do not receive an e-mail, contact the <https://www.technology.pitt.edu/>. Once your account is set up, be sure to check your Pitt e-mail on a daily basis for important enrollment information.
- **Immigration process.** Immigration specialists in the <http://www.ois.pitt.edu/> handle the immigration process for international students. OIS will contact you at your Pitt e-mail address starting in late February or within 3-4 weeks of submitting your enrollment fee regarding the next steps for your immigration document. Once you have provided OIS with all required documentation, they will send documents (e.g. I-20) needed to apply for your student visa, if applicable.
- **Complete your on-campus housing contract.** Starting at the end of February or within two weeks of submitting the enrollment fee, <https://www.pc.pitt.edu/> to freshmen interested in on-campus housing who have paid their enrollment fee on or before the May 15 deadline. You must submit your housing contract and housing deposit before the deadline specified on your contract. Housing is guaranteed for at least two years from the fall term to which you have been offered admissions provided you pay your enrollment fee and housing deposit before the deadlines. Housing assignment and move-in date will be sent to your Pitt e-mail in mid-July.
- **Online Orientation.** First-year students are required to complete all modules in the <https://online.orientation.pitt.edu/landing-page> in a timely manner, where you can learn important information about the academic schools, student resources, paying for college, student engagement, campus safety and policies, as well as next steps.
- **Academic advisor and register for classes.** Once you submit both the enrollment fee and the required financial and/or visa documentation, and complete the online orientation, your academic advisor will contact you at your Pitt e-mail address to schedule a virtual appointment and help you register for fall classes (dates vary by different academic school).
- **Send your final high school transcript and proof of graduation.** As noted in your admissions decision letter, your admission is provisional provided you continue to perform satisfactorily in your classes and graduate from high school. We will be requesting your final, official high school transcript and proof of high school graduation (e.g. graduation certificate/diploma). You can submit an electronic copy of your final high school transcript and proof of high school graduation to pitt.admissions@pitt.edu. All final records are reviewed carefully. The records of students whose grades drop significantly will be sent to the Dean of the school to which they have been admitted for appropriate action, whether that be a warning message, placement on probation, or retraction of admission. Therefore, it is important that you continue to do well academically. If you submitted a Self-Reported Academic Record, what you reported will be carefully compared to your final high school transcript. Discrepancies or misreporting of information could result in admission revocation. **Please disregard if you have already graduated and you are out of high school.**
- **Pre-arrival Checklist and International Student Orientation (Mandatory).** Along with your immigration document (I-20), you will also receive information from OIS via your Pitt e-mail about Welcome Week activities, including the in-person Undergraduate International Student Orientation which is a mandatory program for all incoming international students hosted on campus in late August. Further information about

traveling and arrival will be provided through the OIS online portal <https://my.ois.pitt.edu/istart/controllers/start/StartEngine.cfm> within the Pre-arrival Checklist once your immigration document has been created. **Note:** You will be allowed to move into your residence hall prior to Welcome Week so that you can attend the International Student Orientation on campus.

- **Scholarship and Financial aid.** International students are NOT eligible for financial aid. All merit-based scholarship rewards should be sent out via e-mail by March 1.
- **Mark your calendar.** Fall term classes begin on Monday, August 24, 2026.

FREQUENTLY ASKED QUESTIONS

If I applied for the David C. Frederick Honors College, when will I hear about my decision?

Applicants who wish to be considered for admission to David C. Frederick Honors College must submit their **completed** application for admission no later than **December 1**. Students meeting the December 1 deadline will be notified of their David C. Frederick Honors College admissions decision, as a group, on or before **March 1**.

When will I hear about Pitt Scholarships?

Students submitting a **completed** application for admission, along with their personal statement or Common Application essay, by **February 1**, are automatically reviewed for merit scholarships. The Scholarship Committee meets from October through February and reviews admitted candidates on a weekly basis. It is not uncommon for the Committee to review a student's credentials several times before making a final decision. Therefore, while some students are informed of a scholarship award shortly after being admitted, many more are not notified until much later. All students selected to receive a scholarship will be notified no later than **March 1**.
